Australia

The anthem says, let us rejoice
and love our country with our choice
Young and free we all must say
Sing the song then cry "Hooray"
Aussies we are one and all
And we will never, never fall
Our life will live from day to day
and always love the way we play
Sing the anthem and be happy
You're an Aussie, so don't get snappy
Love your mates and ladies too
and they will learn to soon love you.
