

Beautiful Australia

In the heart of Australia's vast expanse
Lie wonders that make the spirit dance
Where the Great Barrier Reef's colours bloom
From the golden sand of the Sunshine shore,
To Red Rock tales of the Kimberley's lore,
In misty beauty of the Blue Mountains Peak
And gentle calm of Kakadu's Creek
Where the playful platypuses find their home,
And the Kookaburra's laughter roams
In ancient wisdom of Uluru's gaze
And Daintree's green, a timeless maze
Australia a land of beauty untold,
Where nature's splendour forever unfolds.
In sight, in every sound a land
A land of wonder, profound, renowned.
