Chiefs Got Himself Another Horse

Chiefs got himself another horse,
Though not in Phar Laps class
When Laurie went to hop on board
He sat him on his arse

Now don't you be mistaken or ever be mislead
The chief, he did a somersault and landed on his head

No injury was received by the rider or the horse
So now you'll find "The chief" out walking
For he failed the riding course

Allan Burgess, Whiddon Mudgee
