The Snake

Met a bloke at a pub
Having a schooner talking to a bloke
Asked where do you come from
He said Yagoona
One schooner led to 3 , led to 4
Before we knew it
We were rolling out the door
Along the floor
We saw a snake
Heading out to the lake
We gave chase , like a race
We stumbled and rolled around
Down, down we went
Into the lake
The four of us meet
Ending up in the lake
