Whiddon Wee Waa achieves 5-Star Rating

Dear Residents & Families

The Government has recently updated its Star Ratings for Aged Care Providers. The ratings measure performance across service compliance, resident experience, staffing minutes and quality measures.

I am pleased to share that Whiddon Wee Waa has received 5-Stars, the highest-level rating, in the recent update from the Government. This means that Whiddon Wee Waa sits in the top 2% of Aged Care Homes in Australia.

Overall, we are proud of the strong ratings received and will continue to strive to provide the highest quality care for our residents and families.

My thanks to our residents, families and employees who contributed to the Star Ratings interviews and who have helped us to achieve this outstanding result!

Kind Regards

Sally Renshaw
