Subject:	Subject: Cement Pouring at Jessie Hunt for Boheena Renovations	

Hi everyone,

Please be advised that tomorrow 14/07/2023 between 10.00am – 13.00pm the administration driveway and entrance will be barricaded off to allow the cement truck access to pour cement for the Boheena wing renovations

An alternate entry and RAT testing station will be available. Please call Jessie Hunt on 0267905500 for a staff member to meet you and assist with testing and entry to site.

We apologise for any inconvenience this may cause in advance.

I ask again that you do advise the team if you are experiencing any issues or have concerns regarding these works.

Kind Regards

Ros Anderson Administration Clerk
