

## WHY CHOOSE US?

- ✓ **Qualified and Registered Optometrists**  
All our optometrists are fully qualified and meet the applicable registration standards of the Optometry Board of Australia.
- ✓ **Convenient and On-site**  
We bring our services directly to you!
- ✓ **Personalised Care**  
Our experienced optometrists provide customised care plans tailored to each patient's specific needs.
- ✓ **Continuity and Accessibility**  
With regular visits and flexible scheduling, we ensure consistent, accessible eye care for all patients.
- ✓ **Commitment to Quality**  
We deliver professional and compassionate care directly to your facility.
- ✓ **Specialist Referrals**  
If required, the optometrist can arrange patient referrals to a specialist.
- ✓ **Statewide Servicing**  
Optometry services are available to both urban and regional locations. Individual visits can also be arranged on request at no charge.
- ✓ **Australian Owned and Operated**  
Reliable, high-quality eye care services with local trust.

## ABOUT US

**Eye See You Optometry** is a premium mobile optometry service dedicated to delivering professional, personalised eye care directly to aged care facilities throughout Australia.

Our mission is to ensure that vision care is accessible, convenient, and tailored to meet the unique needs of our patients, all within the comfort of familiar surroundings.

## OUR VALUES

- ✓ **Compassion**  
Providing respectful, patient-centered care tailored to each individual's needs.
- ✓ **Accessibility**  
Comprehensive eye care directly to aged care facilities to overcome barriers.
- ✓ **Excellence**  
Delivering top-tier optometric care with state-of-the-art equipment and up-to-date practices.
- ✓ **Integrity**  
Ensuring honest, transparent communication with patients, families, and caregivers.

## AGED CARE

Eye care is essential to maintaining quality of life for aged care residents.

We understand the specific challenges faced by elderly patients, including mobility and cognitive issues, and we provide gentle, compassionate care tailored to each resident.

## KEY SERVICES

- ✓ **Comprehensive Eye Examinations**  
On-site testing to detect common conditions such as cataracts, glaucoma, age-related macular degeneration, and binocular vision disorders.
- ✓ **Tailored Vision Solutions**  
Personalised prescriptions for glasses and advice on managing vision changes.
- ✓ **Educational Support**  
We provide information on the importance of eye health, encouraging good vision habits from a young age.
- ✓ **Detailed Reporting**  
We provide comprehensive reports of examination results to facility management, parents and Power of Attorney's. This ensures transparent communication and continuity of care.

## EQUIPMENT

### Slit Lamp Biomicroscope

Provides a magnified view of eye structures.

### Phoropter

Enables precise, customised prescription checks.

### Autorefractor & Keratometer

Non-invasive prescription check & measurement of eye curvature.

### Applanation Tonometer

Measures eye pressure.
