Award-winning
care that connects,
inspires and enriches
lives every day.

Whiddon is passionate about enriching lives and keeping older people connected to what matters to them in life. We aim to really understand each person through building deep relationships with them, their family and their community.

This partnership enables us to care for all their needs – social, emotional and physical – so that they can continue to learn, live, love and enjoy every day.

A lifestyle you'll love

Enjoy your retirement in a supportive environment where everything you need is on your doorstep.

Our peaceful village is in the historic town of Wingham on the scenic Mid North Coast of NSW, just a short drive from the centre of Taree.

With a vibrant village atmosphere, you'll find public transport, local shops, cafes and health services close by.

Whiddon Wingham Retirement Village offers beautifully landscaped gardens and outdoor areas for you to relax in. Our village has 12 self-contained bedsit and one-bedroom units, each with a full kitchen, bathroom and internal laundry.

We take care of the maintenance services, including gardening, property repairs and rubbish removal, leaving you more time to enjoy your retirement.

Whiddon's Community Care Services can help you live the life you want

At Whiddon, our aim is to support you to live independently and safely at home and stay connected to friends, family and your community.

At Whiddon Wingham, you have the added support of close proximity to our residential care home, and access to our Community Care services if you ever need them.

Our Community Care services can help you to focus on the things that matter most to you.

We can provide help around the home, assist with preparing meals or shopping for groceries, provide care to get you back on your feet after a stay in hospital, help you get to medical appointments or visit your favourite places around town, so you can continue to do the things you love.

Our qualified and experienced carers work closely with you and your family to create a care plan that's tailored to you.
