Award-winning care that connects, inspires and enriches lives every day.

Whiddon is passionate about enriching lives and keeping older people connected to what matters to them in life. We aim to really understand each person through building deep relationships with them, their family and their community.

This partnership enables us to care for all their needs – social, emotional and physical – so that they can continue to learn, live, love and enjoy every day.

A lifestyle you'll love

Enjoy your retirement in a supportive environment where everything you need is on your doorstep.

Our village is in the scenic coastal town of Maclean, on the banks of the Clarence River in Northern NSW, and is just minutes from the town centre and a short drive from stunning beaches.

With established gardens and a vibrant village atmosphere, public transport and local shops, cafes and health services are easily accessible.

Whiddon Maclean Retirement Village offers beautifully landscaped gardens and outdoor areas for you to relax in. Our village has 4 two-bedroom units, each with recently refurbished interiors with a modern kitchen and bathroom, internal laundry and private patios or courtyards.

We take care of the maintenance services, including gardening, property repairs and rubbish removal, leaving you more time to enjoy your retirement.

Whiddon's Community Care Services can help you live the life you want

At Whiddon, our aim is to support you to live independently and safely at home and stay connected to friends, family and your community.

At Whiddon Maclean, you have the added support of close proximity to our residential care home, and access to our Community Care services if you ever need them.

Our Community Care services can help you to focus on the things that matter most to you.

We can provide help around the home, assist with preparing meals or shopping for groceries, provide care to get you back on your feet after a stay in hospital, help you get to medical appointments or visit your favourite places around town, so you can continue to do the things you love.

Our qualified and experienced carers work closely with you and your family to create a care plan that's tailored to you.
